

2026

*Magnons, Ferrons,
and Superconductors*
专题研讨会

Our research is affected deeply by Russian scientists, e.g, the LLG equation, Ginzburg-Landau theory, elementary excitation (ferron, magnon...)

1) Every talk is 30+5 minutes, besides the seminar speakers.

2) The present speaker hosts the talk of the next speaker.

3) Lunch and dinner is at the second floor of this hotel.

4) Enjoy the coffee and cakes!
